LAUGHTER CLUB = WINTER WARMER

Coming together in a park on a morning that needs a jacket, scarf and gloves is a great way to start a Saturday for a number of Laughter Clubs that meet on a Saturday morning. Five to ten minutes before starting time (Bendigo is the earliest at 8:30am, Hampton at 9:00am, Geelong at 9:30am, St Kilda and Eaglehawk at 10:00am and South Yarra 10:30am) members arrive ready to share the next thirty minutes laughing. These are the days Laughter Leaders and members suggest 'warming' laughs – walking on hot coals, soup was too hot, penguin huddle, pogo stick jumping, backing up to a log fire and running away when you are 'cooked' or dancing/laughing to the toreador song – the Cats (Geelong Football Club) theme song [Ed. Note. Guess what team I barrack for?] At the end of the session when coffee and a chat is next on the agenda everyone is warm as toast!

FROM THE PRESIDENT'S PEN

Laughter Clubs Victoria Inc is a not for profit incorporated organisation run by a volunteer committee of management that supports community laughter clubs and promotes community laughter clubs and the laughter program at festivals, events and in the media. LCVi also provides an authorised Community Laughter Leader Training program.

Please consider joining our committee of management and help us in our mission of promoting laughter and laughter clubs around Victoria. As an incorporated organisation we actually can't operate without a committee.

The Committee of Management meets just 4 times a year and this year saw:

- ❖ a continuation of our popular appearances at the Mind Body and Spirit and Sustainable Living Festivals.
- ❖ Our first appearance at the City of Melbourne Australia Day Festival.
- ❖ The continuation of our partnership with the Leukaemia Foundation - Laugh for Leukaemia held in conjunction with World Laughter Day.
- ❖ Continuation of our partnership with Federation Square in their sponsorship of the Federation Square Laughter Club.
- ❖ The co ordination of the 2007 Australasian Laughter Conference.
- ❖ The production of our new (fabulous looking) t shirts which give us a professional and co-ordinated look at public events.
- ❖ A reduction in the cost of community club insurance.
- ❖ Loads of media exposure (the latest - ABC's 'Can We Help You' on Friday 11/7/08 featuring LC Moonee Ponds)

Laughter is becoming increasingly popular with a marked increase in people contacting us to find out more about what we do and many people trying out their local community club.

Please consider joining our committee of management and having your say in how Laughter Clubs Victoria moves into the future. It's a small commitment, just a couple of hours 4 times a year and it means so much.

All committee positions are declared vacant at our AGM and the committee positions include: President, Vice President, Secretary, Treasurer and General Committee. If you'd like to know more then contact President Bronwyn 0421 335197 or Secretary Phillipa 0418 521265

LAUGHTER IS GOOD FOR EVERYONE

Sat morning down near the beach
The Laughter Club is not out of reach
People come from far and wide
Meet by the flag pole with the restaurant on the side
For their sixth year birthday – it was June 2008
In Geelong, it was really great
Some did walk, some came in their cars
Others rode their bikes, but there were none from Mars
All joined a circle, the clapping it did begin
Each said their name, we did laugh and sing
Danced all around, laughing out loud
The clapping actions with all the crowd
The expressions on everyone's face
The antics were all done with grace
With a Ho, Ho, Ho and a Ha, Ha, Ha
When all finished, we went to the coffee bar.

Lois, Geelong

LAUGH FOR THE MONTH

Ice Cube Down The Back: Pretend someone has dropped a very cold block of ice down the back of your shirt. Laugh while you try to shake it off you, and then pretend to put an ice cube down their back.

THOUGHT FOR THE MONTH

You don't stop laughing because you grow old; you grow old because you stop laughing
